## Message from Jim:

*Hi. Everyone,*

*Hope you are remaining safe. It has been a difficult and challenging year for all of us. My sincere condolences to anyone who lost a family member or friend due to Covid-19.*

*Master's Table lost one of our own on April 10<sup>th</sup>. Marie Viglione was a dedicated and great advocate for Master's Table. Marie was with us since the very beginning, always treating our guests with kindness and respect and having a smile that would brighten their day. Thank you, Marie, for your support and dedication. You will be missed.*

*From April – June Master's Table was forced to shut down. Although Master's Table couldn't provide organized meals, we did try to make an impact where we could. Master's Table worked with TEAM, Inc., providing a variety of much needed food that was distributed to the 5 area food banks. We were also able to distribute food and supermarket gift cards to those in need.*

*In late June the Health Department gave permission for us to provide take-out only meals. Since July, we have provided nearly 500 meals in a drive-up style. We realize our guests enjoyed the interaction with each other and the variety of items on the give away table, but currently we need to follow guidelines imposed by our local Health Department.*

*We look forward to returning to our usual dinner format as soon as possible, hopefully in early 2021. Until then, be well and safe. .*

*God's Blessings,*

*-Jim*
