Master's Table Newsletter Summer 2021 **Message from Jim:**

Hi Everyone,

Hope you are all doing well. Master's Table continues to keep busy serving two monthly meals, averaging over 100 dinners served each meal.

Currently, we have decided to keep the meal times for the rest of 2021 from 3:30 – 5:00pm, with the exception of Thanksgiving and Christmas meals, which will be held from 1:00-3:00pm. We will continue to do take-out drive up service for the remainder of the year. Later in the year, we will determine if we will return to serving meals inside the hall in 2022. We will keep everyone updated as those decisions are made.

We would like to thank all those that contributed to the 2021 Great Give. We made nearly \$2500!

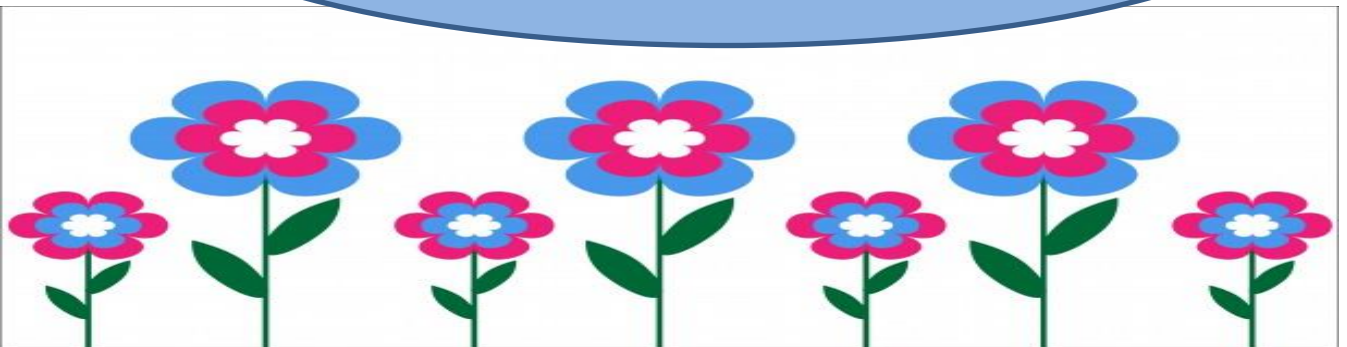

A big Congratulations goes to 4 students from Emmett O'Brian Technical High School, who were the recipients of the 2021 Patrick McCabe Memorial Scholarship. Thank you, Loreen Williams and Mark Riccio for helping with the process.

In closing, Thank you all for your service and hard work making a difference in our community. We know it's been a challenging year and you have all continued to make a difference in the lives of the people we serve.

*God's Blessings,
-Jim*
